

## BUILT-IN COMMUNICATIONS & MARKETING

### Engage Your Patients:

- Streamline Office Workflow
- Increase Revenue
- Reduce No-Shows
- Improve Patient Relationships
- Get New Patients

### Patient communications features:

- **Advance reminder for appointments:** Remind patients about their upcoming appointments. **SMS, Email.**
- **Appointment confirmation:** Patient can confirm or cancel their appointments. **Voice, SMS, Email.**
- **Same day reminders:** Remind patients about their appointments. These reminders are usually sent on the day of the appointment. **SMS.**
- **Missed appointment note:** Send notes to patients about their missed appointments. **SMS, Email.**
- **Recalls:** Remind patients that they are due for an appointment. If the communication is made using Voice, the patient can press a number in the dial pad to get connected immediately with your office. **Voice, SMS, Email.**
- **Eyewear ready for pickup:** Inform patients when orders are ready to be picked up. **SMS, Email.**
- **Eyewear follow up:** See how the patient is doing with their new glasses and/or contact lenses. **SMS, Email.**
- **Thank you note:** Send a thank you message to a patient. **SMS, Email.**
- **Birthday greetings:** Send birthday greetings to a patient. **SMS, Email.**
- **2-way Texting:** Patients can engage in a two-way conversation with your office. **SMS.**
- **Reviews:** Link to your practice review page in Yelp and/or Google+ to increase your search engine ranking. **Email.**
